August 2014

What A Scorcher!

The fourth Annual Beavercreek Hamlet Flea Market and Craft Sale took place on Saturday, July 19, 2014, in the Korner Park, located in downtown Beavercreek. The day started out cool and overcast (even with what felt like a few sprinkles), but by the time the event began at 9:00 a.m. things were a changin'!

The day turned out to be a HOT one! The high was 88 degrees. This made for a very hot shopping experience for those attending, but also a sweltering day for the vendors who were out in the sun for 7 hours.

"Thelma's Grub Tub" was on location serving breakfast and luncheon fare as well as coffee and cold drinks! There were also cinnamon rolls for the sweet tooth's in attendance. I had a club sandwich for lunch that was absolutely delicious and boy did that cold soda taste good!. A big thank you to Cheryl Boffard for her wonderful food and also to Tish Hodges who was her assistant for the day! Thank you ladies!

There were 30 vendors for the event. There was a varied assortment to pick from including new items as well as old, tools, handmade crafts as well as food, jewelry and makeup items to name a few,

The Hamlet of Beavercreek and the vendors would like to thank all the residents of Beavercreek and others who attended and supported the event. *The Editor*

Serious Injury Traffic Crash Hwy 211 South of Estacada

On July 15, 2014, at approximately 4:20 p.m., a 2008 Harley Davidson motorcycle operated by JOHN W. GROENER, age 59, from Beavercreek, was traveling southbound on Highway 211 when a northbound 2013 Kia Soul four-door turned left toward S. Hayden Road. The motorcycle crashed into the Kia's passenger side, ejecting GROENER from the motorcycle onto the highway.

GROENER was critically injured and transported by AMR ambulance to Oregon Health & Science University. He was wearing a protective helmet.

The Kia's driver, TARA R. JOYCE, age 20, from Portland, and three passengers were also transported by ground ambulance to area hospitals. Their injuries were non-life threatening and considered minor to serious. One of the passengers, DANNY D. MANJEOT, age 38, from Portland, was treated and released then taken into

Clackamas County Jail Inmate Commits Suicide in Cell

A Clackamas County Jail inmate committed suicide in his cell on Friday, July 4.

The deceased is identified as Brandon Anthony Barker.

Barker was in the jail on charges of Assault IV, Strangulation, Interference with Making a Report, and Menacing.

Barker has been a Clackamas County Jail inmate 16 times (including this incarceration) starting in 2007. His charge history has included thefts, criminal mischief, parole violations, assaults, and DV-related charges including second-degree kidnapping (for which he received a 40-month sentence) and violation of restraining order.

Deputies found Barker with a noose made of a bed sheet around his neck. They attempted to revive him but were not successful.

Clackamas County Sheriff's Office Detectives and the Medical Examiner's Office responded to the scene and investigated the incident. Barker's death has been ruled a suicide.

CCC and Oregon Tech Sign Reverse Transfer Agreement

More students in Oregon will have the opportunity to be credited with an Associate's Degree while earning a Bache-

lor's Degree through a new "Reverse Transfer" agreement, signed in July between the Oregon Institute of Technology (Oregon Tech) and Clackamas Community College (CCC).

CCC President Joanne Truesdell and Oregon Tech President Chris Maples led the signing ceremony, held at CCC's Oregon City campus. The colleges launched the Reverse Transfer Degree pilot program as a way to increase degree attainment and support graduates' workforce preparation.

"Reverse Transfer" is a relatively new program in Oregon and the U.S., which recognizes students' achievements with an Associate's Degree after they have transferred to a four-year school. The agreement will provide students who have attended both CCC and Oregon Tech with an Associate's Degree, awarding them for the work they have already completed while at the community college. There are no additional costs to students to apply for and receive the reverse transfer degree, which will be awarded from CCC once the accumulated credits are reached at Oregon Tech.

"The old pattern of education first and work later no longer holds," said Truesdell. "Most students are also workers. Having an Associate's Degree while studying for the Bachelor's shows employers that students are ready to enter their chosen field, even while they pursue further education."

Early research on outcomes shows that students who are awarded an Associate's Degree through reverse transfer benefit in a number of ways, including being more likely to stay in school and finish a four-year degree program. Graduates also gain both an Associate's and a Bachelor's Degree on their resume, reflecting a broader, more accurate view of their skills and training received over time. This can add up to higher entry level and higher paying jobs for graduates.

"Today's students move frequently between two-and four-year colleges and universities to earn a degree, so it's important to have options that recognize this reality," said Chris Maples, president of Oregon Tech.

Colleges and universities also benefit from reverse transfer. Community college completion rates will more accurately reflect the investment of time, resources, and support that two-year institutions have in the students who transfer prior to degree completion. These institutions will gain credit for the degrees in their completion outcomes, create closer transfer collaborations with four-

August 8th, 9:00 a.m. to Noon in the Church Fellowship Hall (23345 S. Beavercreek Rd.). We welcome children ages 5 to 12 years and the program is FREE. This year we are focusing our efforts on "Nourishing Body, Mind and Soul" with an emphasis on food health. We'll explore the production of food from the farm to our tables. The children will sing, play, make crafts, dance, garden, hear Bible stories, prepare healthy snacks and enjoy outdoor activities. Registration will be on the first day, Monday, August 4th, 8:00 a.m. to 9:00 a.m. or pre-register by calling the church office at 503-632-4553 or by contacting Bridget at bridgetlouise44@gmail.com. All are welcome!!

Back issues available upon request
while supplies last

"Carousel" features Dru Rutledge as Julie Jordan and Michael Mitchell as Billy Bigelow. Both Rutledge and Mitchell won Portland Area Musical Theatre Awards (PAMTAs) for their performances in Clackamas Rep's 2011 production of "Oklahoma!" The production is choreographed by another PAMTA award winner Wes Hanson (for CRT's 2013 "Kiss Me Kate") and also features Cassi Kohl as Carrie and Jonathan Quesenberry as Enoch Snow.

"Carousel" is based on the play Liliom (1909) by the Hungarian playwright Ferenc Molnár. Rodgers and Hammerstein turned out to be the perfect choice to do a musical adaptation of the play, and "Carousel" features well-known songs, "If I Loved You," and "When You Walk Through a Storm." The musical originally opened on Broadway on April 19, 1945, and ran for a little over two years. It won a number of prestigious awards and remains

an audience favorite today.

Clackamas Rep's performance of "Carousel" runs Aug. 1 through Aug. 24. Performances take place in the Osterman Theatre at Clackamas Community College, Thursdays through Saturdays at 7:30 p.m. with Sunday matinees at 2:30 p.m. Ticket prices range from \$15 to \$35 and may be purchased by calling 503-594-6047 or at www.clackamasrep.org.

Oregon City Cougar Sightings Reported

In July, two separate cougar sightings were reported in the Park Place neighborhood area of Oregon City. The first call came in to police on Saturday, July 12th about 8:46 p.m. on Harley Ave between La Rae St and Cleveland St. A citizen reported seeing the cougar lying down on the south west portion of her property. Oregon City Police responded to the area, but were not able to locate the cougar. On Sunday, July 13th at about 3:00 a.m. a second citizen reported seeing two cougars in the area of Swan Ave and Cleveland St. This sighting was less than 1/2 mile east from the first reported sighting. Patrol Officers did not locate the cougars. Notifications have been made to the Oregon Department of Fish & Wildlife and the County Trapper.

August Events At the Library

Summer Reading

August 1 - Last Day for Kids and Teens to Sign Up!

Location: Oregon City Public Library, 606 John Adams St., Oregon City

CCC Board Votes Unanimously to Refer Bond to Voters in November

The Clackamas Community College Board of Education unanimously approved a bond measure referral for the Nov. 4 ballot at its July 16 meeting.

The bond measure would provide funds to update and expand college classrooms and labs and modernize equipment to meet current industry standards. It would also make improvements to existing facilities and replace the 61-year-old building on the Harmony Community Campus. "I'm here in support of this measure. I'm a proud graduate of CCC," said John Ludlow, chair of the Clackamas County Board of Commissioners. "The college reacts to workforce needs."

The proposal was finalized after numerous opportunities for community input that started with the two-year public engagement process, Imagine Clackamas. Through Imagine Clackamas, the college asked community members, business owners, staff and students what they wanted from the college. The bond projects address the needs identified by the community during the Imagine Clackamas process and other surveys and public forums.

The goals of this measure are to increase access to affordable education that would allow students to transfer to four-year universities or obtain job training for high-demand careers in science, healthcare, engineering, manufacturing and skilled trades; and to ensure that students have modern training equipment so they have the skills for today's workforce.

Nancy Gibson, faculty at Marylhurst University and Oak Lodge Water District commissioner, addressed the board, expressing support for the bond measure and the role of the community college in regional higher education. "You are a valued partner to Marylhurst. We receive your students as transfer students, and you prepare them well to come to a university," she said.

The college has secured \$16 million in state matching funds that would support two projects in the bond – an industrial technical learning center and a workforce development facility. In addition, the college Foundation intends to raise an additional \$5 million to leverage bond funds.

The \$90 million CCC bond measure is expected to result in no increase in the college's estimated average annual bond tax rate of 19 cents per \$1,000 of assessed property values.

The bond measure would:

- Construct an industrial/technical learning center with labs and classrooms benefitting electronics, automotive, manufacturing, welding, skilled trades and apprenticeships;
- Add science classrooms; modernize, renovate and furnish other college classrooms and facilities; update and modernize equipment and technology, especially for training in high-demand careers, including healthcare and engineering;
- Replace worn-out electrical, heating, ventilation and plumbing systems; do deferred maintenance to reduce operating costs and/or extend the life of college facilities; and make improvements to address seismic and security concerns;
- Construct a new workforce development facility by replacing the 61-year-old building on the Harmony Community Campus; purchase property and the remaining interest in facilities;
- Replace the student services center on the Oregon City campus with an expanded facility to meet student needs;
- Refinance the college's current capital debt and finance bond issuance costs, site improvements and demolition.

The bonds would be paid off in 26 years or less from the date of issuance and may be issued in multiple series.

Clackamas Community College has 29 buildings on three campuses in Oregon City, the Harmony Community Campus in North Clackamas and the Wilsonville Training Center. These projects would allow students to complete a two-year degree at any of the three campuses.

CCC provides career technical programs, college transfer degrees and basic skills education, along with workforce and business services, job training and community education classes. The college serves more than 30,000 students per year.

"As a community college, our job is about building tomorrow's careers today. This bond measure would help us

meet our responsibility to our community," said board chairwoman Judy Ervin.

Protecting Our Best Lands For Future Generations

By Tom Salzer

Recently, the Clackamas County Soil and Water Conservation District's Board of Directors began reviewing the long-term strategies used by the District to achieve our primary conservation goals centered on water, wildlife, and invasive weeds.

Discussion quickly revealed a strong concern about the long-term availability of our best farms, fields, and forests. Unlike some areas in our region, Clackamas County still has a vibrant farming community and some of the best farm and forest land remaining in the Willamette Valley. However, the Board concluded that some of these lands will be lost in the coming years due to development.

We need development. New development helps fuel our local economy and provides additional tax revenue needed to provide services to the public. But developing over our most productive soils means those soils will never again be available for producing food and fiber.

Oregon's progressive land use laws have helped guide development in a way that often protects our more productive land. But not always. For example, there are numerous non-farming uses allowed on Exclusive Farm Use (EFU)

lands.

How can the District help assure the continued availability of our most productive lands for future generations? One tool we are considering is conservation easements. We've been using temporary easements to help implement larger projects, but perpetual protection of land through conservation easements would be a new approach.

What are the important points about a conservation easement?

- Land covered by a conservation easement stays in private ownership and remains on the tax rolls.

- A conservation easement is a voluntary agreement to restrictions on how the land may be used.

- Soil and water conservation districts are authorized by statute to hold easements.

- Some SWCDs are already using conservation easements as a tool to protect important conservation values.

In May 2014, the Clackamas County SWCD Board of Directors adopted a budget for the July 1, 2014 – June 30, 2015 fiscal year that included a new fund called the Working Lands Legacy Fund. Right now, that new fund is a placeholder for a program to protect our best lands for future generations. The Board has established an Easements Advisory Committee, and Committee members have been discussing various aspects of a possible easement program.

Easements are not the only tool we have available. The District can accept gifts of land per ORS 568.550(1)(e). Land can also be left to the District in a will. A landowner

Soil Workshops for Small Vegetable Farms

OSU Extension is offering a two-day hands-on soil workshop for small scale vegetable farmers at North Willamette Research and Extension Center on Aug 13th and August 14th, 8:30 am - 9:30 pm both days.

Registration fees are \$50 per day or \$90 for both days. Registration can be done online at smallfarms.oregonstate.edu/soilworkshop.

The intended audience is for new and experienced vegetable farmers hoping to learn more about soil management. The first day, Soil Types & Soil Structure, will cover beginning topics including soil types, texture, structure, and organic matter. Participants will have a chance to view soil horizons in the deep soil pit and observe a tillage demonstration. The second day, Nutrient & Water Management, includes more advanced topics including soil testing, soil moisture concepts, nitrogen management, and identifying nutrient deficiency symptoms. Participants will also learn how to use the OSU Organic Fertilizer and Cover Crop Calculator.

For more information please contact Nick Andrews, Heidi Noordijk, or Emma Eichhorn at 971-801-0392 or email nick.andrews@oregonstate.edu, heidi.noorkijk@oregonstate.edu, or eichhore@onid.orst.edu. North Willamette Research and Extension Center is located at 15210 NE Miley

Estacada Man Killed in Tree-Felling Incident

Just after 1:00 pm Thursday July 10, 2014 a group of campers were out cutting fire wood in the Mount Hood National Forest on USFS RD 4630 about a mile from Lake Harriet. They were improperly felling large Douglas Fir tree that was dead and leaning over.

The tree was described as 130 to 150 feet in length. They used a chain saw to cut the tree and a chain attached to a truck that was then hooked to the tree. When the tree fell the top rotten section of the tree broke off and fell separately from the main tree hitting one of the men and seriously injuring him.

One of the men went to the Ripple Brook Ranger Station to call for help. Clackamas County received a 911 call at 1:30 p.m. Medical personnel responded to the scene and rendered first aid to the injured male.

The male, Arthur Canada, 64 of Estacada, was fatally injured when struck by the falling rotten tree top.

Clackamas County Sheriff's Office and the Clackamas County Medical Examiners Office responded to the scene and investigated the incident.

the CCC Wilsonville campus and features the work of 29 local artists in a variety of mediums. The artists spent two days exploring all aspects of the North Fork Dam and Powerhouse on the Clackamas River. The exhibit runs through Sept. 1. There is no cost to view the exhibit.

Aug. 2-24 - Clackamas Repertory Theatre: 'Carousel'

Clackamas Repertory Theatre presents Rodgers and Hammerstein's "Carousel," a musical directed by David Smith-English. Evening performances are scheduled for 7:30 p.m. Thursday through Saturday; Sunday matinees begin at 2:30 p.m. in the Osterman Theatre. Single tickets: Youth: \$15; Senior: \$33; Adult: \$35. For ticket information, call the box office at 503-594-6047 or visit www.clackamasrep.org.

Aug. 6, 13, 20, 27 - Farmer's Market Wednesdays

Summer term on Wednesdays, the Urban Agriculture Farm Experience class at CCC will have vegetables for sale, grown on campus using organic methods. The produce cart will be outside the Community Center at the Oregon City campus from noon to 1:30 p.m. Proceeds from these sales benefit student scholarships. For more information email Loretta Mills at lorettam@clackamas.edu or call 503-594-3292.

Aug. 6, 13, 20, 27 - Chrysalis: Women Writers

Local author Pat Lichen guides women writers of all levels through discussions of their work. Chrysalis meets Wednesdays from noon to 2 p.m. in the Literary Arts Center, Room 220 in Rook Hall. For information, call 503-594-3254.

Aug. 17 - "Sundays at Seven" CRT New Cabaret Series: "An Evening with Merideth Kaye Clark"

"Sundays at Seven" is a special cabaret series featuring jazz, comedy and songs by Clackamas Repertory Theatre members and guest performers. Shows begin at 7 p.m. in the Osterman Theatre. Tickets are \$15 and available online at www.clackamasrep.org, at the box office in the Niemeyer Center, or by calling 503-594-6047.

Serious Injury Motorcycle Crash Hwy 224 East of Estacada

On July 12, 2014 at approximately 8:30 p.m., a 2007 Harley Davidson motorcycle operated by ERIC L. COLLANDER, age 38, from Oregon City, was traveling westbound on Highway 224 near milepost 31 when it left the highway on the north side shoulder into a ditch.

COLLIANDER was ejected from the motorcycle and landed on bordering boulders.

COLLIANDER was transported by LifeFlight to Legacy Emanuel Medical Center with non-life threatening injuries. He was wearing a helmet. Subsequent investigation led OSP to cited him into Clackamas County Circuit Court for Driving Under the Influence of Intoxicants. Trooper Scott McLeod is the lead investigator.

OSP was assisted at the scene by Clackamas County Sheriff's Office and Estacada Rural Fire District #69. The highway was opened about an hour after the crash.

According to the National Highway Transportation Safety Administration (NHTSA), in fatal crashes in 2012, a higher percentage of motorcycle riders had blood alcohol concentrations (BAC) of .08 grams per deciliter or higher than any other type of motor vehicle driver. More than 1 in 4 (27%) motorcycle riders involved in fatal crashes were alcohol-impaired. More motorcycle safety-related information and statistics is available at:

Clackamas County Board of Commissioners to Hold August 14 Business Meeting at Clackamas County Fair

The Clackamas County Board of Commissioners (BCC) will conduct its Thursday, August 14 weekly business meeting at the Clackamas County Fair in Canby.

The event is the first time the current Board has held a business meeting at a remote location. The meeting will begin at 10:00 a.m. at the Main Lawn stage. Guests arriving at the fair prior to 10:00 a.m. will be admitted free of charge if they enter through the red or blue gates. There is a \$5 fee for fairground parking.

This is a good time to participate in Citizen Communication or stop by if you have an interest in seeing a BCC business meeting in person.

Commissioners traditionally participate in the Fair's opening ceremony and Kiddie Capers parade. They plan on doing so again this year. That event is scheduled for Tuesday, August 12.

Local Scout Court of Honor Held

On Sunday, August 3, 2014, an Eagle Scout Court of Honor was held for James Lindsey. The event took place at Hopkins Demonstration Forest off Brockway Drive just south of Beavercreek.

James Lindsey is the son of Barry Lindsey and his wife Elizabeth Graser-Lindsey of Beavercreek.

The event was also a celebration of James' graduation from the Clackamas Academy of Industrial Sciences, his earning of a Congressional Gold Metal, and his departure for Principia College, a private liberal arts college in El-sah, Illinois. The event was held in Hopkins' amphitheatre.

The Real Estate Market is Doing Great!

I want to share with you some of the recent market statistics.

- Currently there are twenty seven homes for sale in Beavercreek.
- The average home size is 2,543 square feet.
- They have been on the market for an average of ninety five days so far.
- The average list price is \$499,328.00.
- In the last six months twenty eight properties have sold.
- Their average size is 2,387 square feet.
- The average days on the market was ninety three days.
- The average list price was \$369,241.00 and
- The average sold price was \$356,379.00.

If you would like to know the current value of your home please give me a call or email me and I would be happy to meet with you.

Projects and Events

· Poison Oak Control (Glenn Ahrens, OSU Forestry Extension) taught ways to get poison oak under control with the right mix of herbicides.

· Stone and Masonry Work (Marcelino, Hopkins Forest Host) provided a demonstration with the installation of the patio area behind Forest Hall and gave those attending an opportunity work with a mason to see how it's done.

· Brush Control and Road Mowing (Peter Matzka, Hopkins Forest Educator) guided participants in the clearing of the right-of-ways, roads, and trails of fire causing fuels. They had several tools and pieces of equipment for the participants to train on and test out. They also encouraged them to bring their own (extra weed-whackers and brush control equipment are always welcome).

· Signage Clean-up. The winter weather and spring rains help keep our forests green and growing through the early summer months, but they also make our trail and forest signage grow green too. Participants helped spruce up the signs and gave them a late spring cleaning.

Lunch was provided

At noon those present enjoyed a Red, White, and Blue BBQ as a guest Grill Master/Board Member flipped their culinary delights and demonstrated the tastier side of Hopkins. Those present were encouraged to set down their gloves, kick up their feet, and let their taste buds do the work for a while.

Hot, Dry Weather Prompts North Cascade District to Tighten Fire Rules

Hot, dry weather has prompted the Oregon Department of Forestry (ODF) to tighten fire safety restrictions in the North Cascade District, which provides wildfire protection to

private and public forestlands in Clackamas, Marion, northern Linn and eastern Multnomah counties. On July 11 a "Regulated-Use" closure went into effect, aimed at reducing the chance of fires starting from public activities in the forest.

The Regulated-Use closure bans the following activities:

- Smoking in the forest except in closed vehicles or buildings
- Campfires outside of designated campgrounds
- All open fires
- Use of motorized vehicles except on improved roads
- Use of fireworks
- Use of chainsaws

Mowing of tall dead or cured grass is allowed, but only before 1 p.m. or after 8 p.m.

The Regulated-Use closure requires forest users to carry a shovel with a minimum of a 26-inch handle and an 8-inch blade, and either one gallon of water or a 2-1/2 lb., ABC-rated fire extinguisher.

The North Cascade District declared fire season on July 2. The public is reminded that state law prohibits the use of tracer ammunition, exploding targets and sky lanterns in the forest during fire season.

Eleven fires have burned 420 acres in the district so far

CRAVER'S CRAFTS

this year. The 10-year average is 14 fires burning just 30 acres.

Across the 16 million acres of private and public lands protected by ODF statewide, about 8,200 acres have burned to date - considerably ahead of the 10-year average of just 1,048 acres.

Fire District News - New Tillered Truck

In mid-June, Clackamas Fire took delivery of the new Truck 4, a project that has been ongoing for almost two years. This type of ladder truck is known as a Tillered Truck or a Tractor Drawn Aerial (TDA). The TDA concept has been in the fire service for over 100 years. With technology, the apparatus design has improved into the most maneuverable ladder truck in the fire service. Truck 4 is designed to meet the needs of the Fire District for years

Backyard Burning Allowed

to come. Truck 4 has been put through some of the most challenging streets and complexes in our Fire District and was able to maneuver with minimal challenges. We were able to do this with the instruction from a cadre of Seattle firefighters. This cadre travels around the country teaching at the highest level in this area. They were able to teach six members of Truck 4, who in-turn will teach other District firefighters the critical techniques and concepts required for a successful tiller program.

In addition to maneuverability, Truck 4 has an exceptional amount of compartment space. This allows equipment to be strategically placed for quick deployment and operation. This truck will hold a full complement of vehicle extrication equipment, rope rescue equipment, fire rescue equipment, as well as a fire pump with 250 gallons of water. The aerial device on this truck is 100 feet long and can be fully deployed in

jured bicyclist.

On July 10, 2014, at approximately 7:40 a.m., DANIEL LAWRENCE NYBERG, age 44, was riding a bicycle westbound on Highway 211 near S. Vaughan Road when he suddenly turned left into the path of a westbound 2005 Toyota pickup approaching from behind. The pickup's driver, VICTOR MAXFIELD, age 32, from Molalla, wasn't able to avoid the bicyclist and struck him.

NYBERG was transported from the scene by LifeFlight to Oregon Health & Science University (OHSU). NYBERG is believed to live in the Molalla area and has previously resided in Portland. He was not wearing a protective helmet. MAXFIELD was not injured.

OSP was assisted at the scene by Molalla Police Department, Molalla Rural Fire Protection District, and ODOT. The highway was closed for about 45 minutes.

for counties with populations ranging from 250,000 to 500,000.

The survey reviews services and initiatives provided by U.S. counties and considers innovation, efficiency, productivity, sustainability and overall use of technology to meet the growing demands of counties and citizens.

To learn more about the Clackamas County Technology Services initiatives that were evaluated for this award visit <http://www.clackamas.us/ts/initiatives.html>.

"This recognition is a great honor for Clackamas County," said Clackamas County Chief Information Officer Dave Cummings. "This validates all the innovation and hard work of the Technology Services staff partnering with the County departments and County leadership, all striving to provide the best services possible to the citizens of Clackamas County."

The July monthly meeting of the Hamlet of Beavercreek was held on Wednesday, July 23, 2014, at the Beavercreek Grange on Kamrath Road. The meeting was called to order at 7:06 p.m.

The guest speaker, Clackamas County's Ellen Rogalin, Community Relations Specialist, and Dean Brown, Code Enforcement Specialist, shared the numerous changes in code enforcement in 2013 and the community outreach and code enforcement processes being utilized in 2014.

A neighbor of last month's land use application from a

horse arena/boarding on 5 acres shared her concern about building code compliance, manure piling up and ground water problems in the area. The neighbor was advised to attend and testify at the Hearings Officer Hearing and submit all of her concerns in writing. The Board committed to inquiring into Code Enforcement issues that were not noted in the application.

Highlights of the June 25, 2014, Hamlet Minutes were read and accepted by acclamation.

Land Use

A Temporary Care Permit, Elbert D. Wimer, 24310 S Beavercreek Road, Beavercreek, zoned RRFF-5 (rural residential, farm forest 5 acres), 4.97 acres, renewal of a temporary permit to use a manufactured home as a residence for the applicant's sister Penny Wells, who receives care & assistance from the applicants, Wilbert Wimer & Terri Clark. A motion was made and seconded to recommend approval. The motion passed.

A Temporary Care Permit, Timothy & Pamela Brown, 15202 S Henrici Road, Oregon City, zoned RRFF-5 (rural residential, farm forest 5 acres), 3.02 acres, renewal of a temporary permit to use a manufactured home as a residence for Dominik Neff & his parents. The property owners provide care & assistance to Dominik as well as back-up

Other Business/Reminders

Elections in October – contact Bill Merchant if you are interested in being on the Hamlet Board.

A flyer was shared for the Third Annual Small Farm School to be held at CCC on 9/6/14 from 8:00-4:30.

A flyer was shared for a Country Bazaar at Horsemasters on September 27-28.

Raffle was held with prizes of fresh laid eggs, carnation plant and candle.

The Meeting was adjourned at 8:55 p.m.

Everyone is encouraged to attend the monthly Hamlet Community meetings and the quarterly Town Hall meetings to participate and share ideas and concerns on the issues pertinent to our community. Members 18 years of age and older who live, own a business, or property within the Hamlet area may vote on Hamlet issues. The Hamlet of Beavercreek Boundary Map is located online at <http://goo.gl/maps/Vr5w1>.

The Community meetings take place on the fourth Wednesday of the month at the Beavercreek Grange on Kamrath Rd at 7:00 p.m. The Town Hall Meetings will occur every quarter. For more information, please call the Hamlet Information Line at 503-632-8370 or visit the Hamlet web site at <http://HamletOfBeavercreek.org>.

Bring the Kids and Enjoy the Movie “Monster University”

Come to the Korner Park in downtown Beavercreek the evening of August 23, 2014. Bring the children, chairs or blankets to sit on and enjoy the movie “Monster University.” The event begins at 8:30 p.m.

This free movie is being sponsored by the Hamlet of Beavercreek and Beavercreek Cooperative Telephone Company. Thelma's Grub Tub will be on site selling food, snacks and drinks.

This will be a great family night. It will be the culmination of the Hamlet's series of three FREE community summer events just in time before school starts back up.

2014 Annual Farm Event and Dinner Held July 10

On Thursday, July 10, 2014, the Annual Farm Event and Dinner was held at the Beavercreek Demonstration Farm, 22055 S. Beavercreek Road in Beavercreek from 4:00 to 7:00 p.m.

This event gives residents and others the opportunity to go on the farm property and see what has happened during the year and get information on farming and conservation practices. This year the Clackamas County Soil & Conservation District was accepting donations to benefit the local area Beavercreek Food Pantry that is located at the Beavercreek United Church of Christ (Ten O'Clock Church) on Beavercreek Road.

The dinner comprised of hamburgers and brat sausages from Shy Ann Meats on Henrici Road, accompanied by green salad and potato salad. Dessert was cake with fresh raspberries topped with whip cream.

Great Horror Campout Comes to Beavercreek Aug 1

A Great Horror Campout “Hell Hunt” will be happening at 17092 S. Carus Road in Beavercreek. The cost is

**Community Reader Board
Info Rates**

\$1.00/day

To Post Your Organization's Info
Call 503-632-6525

\$99.00 to \$139.00 through TicketMaster.com the event is from 8:00 p.m. August 1st to 8:00 a.m. on August 2nd. No one under 18 years of age will be admitted.

This is basically a 12 hour scavenger hunt with participants going out into the woods for the evening looking for items such as a fake spinal cord, ribs, etc. They are not alone because there are also actors in monster costumes lurking in the darkness.

The event is the brainchild L.A.-based Ten Thirty One productions, who recently scored a \$2 million investment in the project on ABC's "Shark Tank."

Colton Fire Chief Involved in Minor Injury Accident

On July 24, 2014, at approximately 10:15 p.m., Colton Fire Chief Richard Beaudoin, age 49, was traveling southbound on Highway 211 near milepost 6 in the department's marked 1990 GMC Yukon when he reportedly took evasive action to avoid an unidentified passenger car coming into his traffic lane in the opposite direction. Chief Beaudoin drove onto the shoulder, lost control and crashed into the embankment on the east side of the highway facing northbound in the southbound lane.

Chief Beaudoin wasn't able to move his vehicle due to damage and got outside about the same time a southbound 1998 Honda Accord with two occupants crested a hill and crashed into the front of the GMC Yukon.

Chief Beaudoin was taken by ambulance to a local hospital where he was treated and released for minor injuries. He was using safety restraints and his vehicle's airbags deployed.

The car's 54-year old male driver, DANIEL SCHROCK, age 54, from Harrisburg, and an adult male passenger were not injured.

OSP was assisted at the scene by Clackamas County Sheriff's Office and Monitor Rural Fire Protection District.

Regional Photo Consortium LiDAR Project in the News!

From Scott Robinson at Metro

To Metro Councilors and the Senior Leadership Team,

Today's Oregonian (July 25, 2014) carried a great article de-

scribing our collaborative regional effort to create a consortium to fund acquisition of LiDAR imagery. LiDAR, which stands for light detection and ranging, to collect precise aerial data points. LiDAR collects data by firing infrared laser light pulses in rapid succession from a low-flying airplane. The light bounces back to a sensor on the airplane, tracking the highest and lowest hit objects. The technology allows for extremely precise maps and data sets. LiDAR can penetrate through trees and vegetation to the ground. The imagery is essential to provide enhanced mapping, including slide risk, development detection and other key attributes needed by all agencies. Due to the leadership of Metro staff, this project is saving taxpayers thousands of dollars by combining the efforts of multiple agencies into one. Metro is the lead on contract administration. A big shout out to Justin Houck, Paul Couey and Molly Vogt of the Research Center for making this happen.

For more information go to http://www.oregonlive.com/portland/index.ssf/2014/07/portland_teams_with_metro_to_u.html#incart_river.

Editors Note: Christine Kosinski, Hamlet Corresponding Secretary, has been asking for this to happen for years. It is finally taking place even though it was harder to put together than anyone imagined. Thank you Christine for your untiring efforts on our behalf!

Message from the Fire District Board of Directors

The following took place at the June 16, 2014 Board of Directors' meeting:

- Chief Charlton presented Volunteer Association President Chris Bell with the Fire District's Award of Appreciation. This award recognizes his two years of leadership as the President of the Volunteer Firefighters Association and his involvement in improving the services to both the Fire District and the community.

- The Fire District's Agent of Record Jeff Griffin from Wilson-Heirgood Associates provided information regarding the annual workers' compensation renewal.

- Battalion Chief Dave Phillips presented an update of the District's safety program that included

Refund Money Awaiting Oregon Taxpayers

Thousands of taxpayers across Oregon have tax refund money awaiting them - all they need to do is cash a check.

The Oregon Department of Revenue has mailed letters to taxpayers in possession of refund checks that haven't been cashed as a reminder to redeem these checks prior to October. "Annually, Revenue sends notices of outstanding refund checks to the taxpayer's last known address," explained Jan Hunt, Revenue's Budget and Finance Manager. "Our goal is to ensure each taxpayer gets their money."

Checks are considered void after two years and are then sent to the Department of State Lands.

If a letter is received, cash the check immediately. If the check has been lost or was never received, the taxpayer should sign the notification letter and return it to Revenue to have the check reissued.

Last year, Oregon taxpayers were notified of \$1,850,779 in refund checks that hadn't been cashed. This year, 1,000-

2,000 notification letters were mailed. Hunt said the most common reasons for not cashing a refund check are misplacement of the check or having an incorrect mailing address on file with Revenue. She said taxpayers should notify Revenue of any address changes to ensure receipt of all tax-related correspondence.

Visit www.oregon.gov/dor to get tax forms, check the status of your refund, or make tax payments; or call 1-800-356-4222 toll-free from an Oregon prefix (English or Spanish); 503-378-4988 in Salem and outside Oregon; or email, questions.dor@oregon.gov. For TTY (hearing or speech impaired), call 1-800-886-7204.

Juvenile Found Wandering in the Road

At approximately 9:30 a.m. on Thursday, July 17, 2014, Clackamas County Sheriff's Office deputies responded to reports from passerby that a juvenile was wandering in the middle of the road on Hwy. 211 near Union Mills Rd. outside of Molalla.

Deputies contacted the juvenile. The young man was unable to communicate to deputies who he was or where he lived.

Deputies transported the juvenile to the Department of Human Services office in Oregon City. DHS employees recognized the juvenile, and at this writing are working to reunite him with his family. The Sheriff's Office is pleased that the situation was quickly resolved, and will work with DHS and the juvenile's family to investigate the situation. The Sheriff's Office also thanks the public and media for helping spread the word on social media and news platforms as we worked to identify the young man.

Our 4 Legged Friends

My Name
is
"LUCY"
and I'm
available for
Adoption!

Hello... my name is "Lucy" and I'm available for adoption. I'm a Pit Bull.

I'm a 6+ year old spayed female and I weigh approximately 30 to 60 lbs. As you can see I'm black and white in color with folded ears.

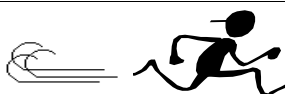

Here is what I have to say for myself!

"Lovely Lucy - that's me! I am a slick-coated lady who is looking for a home to call my own. I may be a bit shy when we first meet, so give me time to warm up. I like being outdoors. Let's take a walk outside to get to know each other. People who love my breed know that we are eager to please and very intelligent. Let's get acquainted and you will agree that I am the girl for you."

For more information on me or other dogs available for adoption, please call the shelter at 503-655-8628 or come by for a visit and a little one-on-one. You can also see us at the Clackamas County Dog Control website at:

<http://www.clackamas.us/k9man/adoptpet.jsp>

The shelter is located at 13141 S.E. Hwy 212 in Clackamas, Oregon. I'm available from 12:30 to 4:30 p.m., Thursday thru Monday. I'd sure love to get the chance to meet you. "LUCY"

See you next month...
The Editor!
