April Hamlet Town Hall Meeting Recap

This month's meeting was a Town Hall which kicked off with an update from Dick Orr of Beaver Creek Telephone Cooperative. He shared that an additional 400 residents are now eligible for increased internet speeds of 50 or 100 Mbps. They also offer a "wifi tuneup" which includes a visit to your residence to ensure you're getting the best service for your location. The annual BCT meeting is July 12 at 7:00 p.m. at the Grange.

Next was Sam Leininger from the Clackamas Soil & Water Conservation District. He reiterated that CSWCD is not a regulatory entity, but rather they exist to support resident's needs and concerns for the ground they manage. They help landowners control 12 of the most invasive plants at no cost. Tansy is the most frequent call they get, as it's toxic to livestock. Now is a good time to remove it while the ground is soft and it's still in rosette stage, and they will help control free of charge for larger issues. Another is Scotch broom and CSWCD has a tool residents can borrow free of charge to remove it. Gorse is on their radar -there's an old infestation in Beavercreek and it's one to keep an eye out for. In addition to free tools, CSWCD has other equipment available to rent for a fee including a no-till seed drill, manure spreader, box scraper, water wagon, cover crop seed drill, and more. Contact Eann Raines for info at (503) 210-6005.

Sam suggests residents do walkthroughs of their land at this time of year to know what's there. If you're concerned about specific plants, bag up as much as you can (roots,

He discussed different sprays people utilize and what to consider, e.g. certain sprays remain active in manure and can persist in compost and crops. Sam said not to kill blackberries between mid-April to mid-July, as it is the primary nesting season for birds who use it as habitat - or at minimum to do a survey and make sure there are no nesting birds before removal.

Residents asked if they offered advice on organic compliant weed control and they do; how to manage English ivy and knotweed; about cinnabar moths; about licensing for

About the Bulletin

Beavercreek Bulletin is a monthly newspaper by and for residents of The Hamlet of Beavercreek, Oregon. Our mission is to inform and educate residents on key issues that affect the Hamlet in order to protect and preserve our rural way of life. It is published by the Beavercreek Committee for Community Planning (BCCP), a 501(c)(3) nonprofit organization.

herbicides; and more. With regard to neighboring properties that aren't managing invasives, Sam said the best remedy is talking to your neighbor. "We're all tied to each other with property lines. We have to abide by property lines but the weeds don't. It's in our best interest to work together."

Katie Wilson, County Liaison, Committee for Citizen Involvement, shared full results from the 2018 Community Involvement survey (available as a handout at the meeting). They're using the results to improve their reach and create programs that are as inclusive as possible. She discussed recent changes to the County's insurance policy so it could offer optional liability for CPOs including protection for board members from strategic lawsuits against public participation (SLAPPs), as well coverage for meeting space rental. Katie also mentioned vacancies on a number of boards -- the Fair board, Parks board, Development Disabilities Council and more at web3.clackamas.us/abc/abc.jsp. Also, the County's Long-Range Planning Work Program Overview is now online.

Board chair Tammy Stevens said Katie has been a great resource for the Hamlet as she communicates with the board so the board can communicate with residents. She will be attending the Town Hall meetings each quarter to share new insights. If residents have questions for Katie, please join future meetings or email info@beavercreek.org.

For public comments, it was shared that the Beavercreek Saloon is going to partner with the Hamlet board to take responsibility for Stars in the Park event in August. The board shared that there are Hamlet button-up shirts for sale for \$30 at every meeting (\$35 if you buy outside of a meeting). One land use application was discussed for the commercial buildings being built on Rifle Way across from Beavercreek Saloon.

For the transportation update, Christine Kosinski shared that the next hearing for the Park Place Concept Plan is May 14, 5:30-7:00pm at Oregon City City Hall, which will include testimony from Dr. Scott Burns, PSU geology professor, who will discuss the impact of development on unstable soils and

landslide areas. The board remains vigilant about what's happening in Oregon City because it affects us as it relates to transportation, utilities and more.

The board noted that Hamlet elections would be held in October 2018 for four positions. Residents who are interested should notify info@beavercreek.org by September. On a related note, Hamlet bylaws have been revised to match current County codes which includes how officers are elected. Historically a person would be elected into a specific board position (such as secretary or chair), but the bylaws have been amended so people are elected to the board itself and then the board members determine the position.

A couple final notes that were shared: the motor home mentioned in the last meeting was removed from Beavercreek Road; and the Beavercreek Grange is seeking updated storage as its current storage solution is falling apart. Ideas welcome. The next

meeting is May 23 and will feature Josh Jacobson from Vector Control to talk about pests and how to manage.

The Hamlet of Beavercreek is here to protect and preserve the rural culture of the area, and serves to help all residents. Monthly meetings are the best place to share feedback and learn how to get involved. Join us at 7:00 p.m. the third Wednesday of each month at the Beavercreek Grange.

New Local Crafting Group Formed

A local resident recently formed a crafting group that meets every other Sunday from 1:30 to 4:30 p.m. Rather than limiting to just knitters, they are opening up to crafters of any kind. For details and to join, visit the post on NextDoor: https://bit.ly/2JFFrEd.

Beavercreek Elementary Road Safety Update

Local resident Amy Manning put together a committee on the traffic safety for the elementary school, which has made significant progress. In the picture, the County is filling in the ditches next to the parking areas so that people can get out of their car on the passenger side of the street without risking a serious fall or dropping a child they are carrying. The other goal is to be able to park further off of the street, so that when the children are walking to their cars

they are in less danger.

Amy says, "For so long all of us parents have felt pretty helpless in knowing that we have serious safety hazards at our school, but not sure how to influence change. Evidently it took a group to get together to convince the powers that be to make some changes. Special thanks to Tammy Stevens, chair of the Beavercreek Hamlet Board, for guiding me in forming the committee... and for all of the other community work you do."

In the April Town Hall meeting, Tammy Stevens of the Hamlet board said, "Amy is just a resident here. She saw this problem and took it upon herself to raise the issue, and worked with us as a board to determine who to speak with. I applaud her work." Another resident at the Town Hall shared that he picks his daughter up at the school and was pleased to see the ditches filled in.

Oregon Law Enforcement to Fill 500+ Vacancies in the Next Year

City, county, state, tribal, and university law enforcement agencies around Oregon are looking to fill more than 500 vacancies over the next year that are expected due to retirements. In fact, more than 1,000 currently employed police, corrections and parole and probation officers and 9-1-1 operators around Oregon will be eligible to retire over the next three years.

The Oregon State Police, Oregon State Sheriff's Association, Oregon Association of Chiefs of Police, and the Oregon Department of Public Safety Standards and Training have combined efforts to assist in connecting people interested in exciting career opportunities at law enforcement agencies by creating a new centralized webpage www.OregonPoliceJobs.com. This webpage

lists currently open job vacancies by agency, a link to the application, a link to the agency recruiter, and the salary.

State Tuition Assistance Approved for National Guard Service Members

Governor Kate Brown signed House Bill 4035, April 3, 2018, which authorizes state tuition assistance for service members in the Oregon National Guard. The bill, passed by the Oregon Legislature on March 3, details the requirements that will qualify Oregon National Guard Soldiers and members of the Air Force to receive state-funded tuition assistance towards an associate or baccalaureate degree at Oregon public universities and community colleges. The Higher Education Coordinating Commission will administer the grant program, scheduled to begin in the 2018-2019 academic year.

In 2017 alone, approximately 15 percent of the Oregon National Guard was called into service for emergencies, disasters, and crisis planning, including wild land firefighting, hurricane relief efforts, search and rescue missions, and traffic assistance during the solar eclipse. Meanwhile, nearly 200 Oregon Guard service members were deployed overseas last year.

"I'm proud to sign a bill into law that deepens Oregon's commitment to our National Guard service members," said Governor Brown in a statement. "Whether they're fighting on the frontlines, fighting wildfires, or helping prepare our state for the influx of eclipse viewers, our Oregon Guard members are always ready to answer the call to help Oregonians in times of need. Extending tuition assistance to Guard members is one important way to show our appreciation for their service by investing in their education and future."

Get Fit, Don't Sit on May 2

Wednesday, May 2, marks the American Diabetes Association's (ADA's) annual National Get Fit Don't Sit Day, an opportunity to increase awareness about the dangers of prolonged sitting and the importance of getting up and moving throughout the day. The ADA recommends breaking up sedentary time with three or more minutes of light physical activity—such as walking, leg extensions, or overhead arm stretches—every 30 minutes, in addition to getting the recommended 30 minutes a day (5 days per week) of moderate activity.

Here are tips for incorporating more movement during the work day:

- Set an alarm on your phone to remind you to get up every 30 minutes and stand, walk or stretch.
- Take the stairs instead of the elevator at the office and in the parking garage.
- · Get up and stretch at your desk.

It's a good thing when you're shopping for insurance.

Independent insurance agents don't work for just one company and that means better choices for you. They can check out your coverage and compare rates with multiple insurance companies to make sure you are getting a great rate.

Please call Bonnie Anderson at Sahli Miller Insurance, your local independent agent, for expert advice and a free quote.

- Swap out your chair for an exercise ball to engage your muscles.
- Use part or all of your lunch break to take a walk.
- Walk places that are within a reasonable distance instead of driving.
- Try some chair exercises while at your desk.

New Medicare Cards are Coming

Oregonians with Medicare coverage will be issued a new card from the federal government by the end of June. Each person's new card will have a unique Medicare number, instead of a Social Security number, to prevent fraud and identity theft. Medicare coverage and benefits will stay the same.

The Centers for Medicare and Medicaid Services will automatically mail the new cards, at no cost, to each beneficiary's address on file with Social Security.

Safe Water Habits

As warm weather approaches, Clackamas Fire reminds everyone the importance of practicing safe water habits. Follow these helpful tips from the American Red Cross to keep you and your family safe:

- Swim in designated areas supervised by lifeguards.
- Never leave a child unattended near water; don't trust a child's life to another child; teach children to ask permission to go near water.
- If you're not planning on swimming, be cautious around ocean shorelines, rivers, and lakes. Cold temperatures, currents, and underwater hazards are dangerous.
- Be aware of underwater obstructions in low water levels.
- · When boating, wear a life jacket!
- Avoid alcohol use impairs judgment, balance, and coordination; affects swimming and driving skills; and reduces the body's ability to stay warm.
- Install and use barriers around your home pool or hot tub.
- Enroll in home pool safety, water safety, and CPR/AED courses to learn how to prevent and respond to emergencies.

Here's what Oregonians on Medicare can expect, and what they should know:

- Make sure Social Security has your current address. You can update your address online by signing in to or creating a "my Social Security" account at ssa.gov.
- Don't worry if you get your new card before or after friends or family members here in Oregon or in other states. The cards are being sent on a variety of dates to prevent mail theft.
- When your new Medicare card arrives, destroy the old one. Do it in a secure manner, such as shredding it.
- Doctors, other health care providers, and plans approved by Medicare know that Medicare is replacing the old cards. They should be ready to accept your new card when you need care.
- Even people with a Medicare plan through a private insurance company, also known as a Medicare Advantage plan, will get a new Medicare card from the federal government. Keep it in a safe place, but continue to use the member card your insurance company sent you.
- Beware of people contacting you about your new Medicare card and asking you for your Medicare number, personal information, or to pay a fee for your new card. Protect your Medicare number like you treat your Social Security or credit card numbers. Remember, Medicare will never contact you uninvited to ask for your personal information.

Avoiding scams

If you receive a call, email or visit from someone asking for personal information about your Medicare number or plan, about your new card or about your Social Security number, it is likely a scam. Medicare will never call you uninvited and ask you for personal information to get a new card. You do not have to pay for the new card, either. As long as your

address is up-to-date, Medicare will send this replacement version automatically.

Another potential twist on this scam: seniors who are told they have a refund due on their old card, which the caller is happy to process as soon as he gets your bank account information. Don't fall for it!

Here's what you need to remember:

- The new card is free there is no replacement fee or activation fee. Do not pay anyone who says you owe money for the new card.
- Do not give out personal information, including your Social Security number, to people who contact you unsolicited.
- If someone calls and threatens to cancel your benefits because you do not yet have a new card, ignore them. Your Medicare benefits and coverage are not changing.
- When you receive your new card, destroy the old one.

If you have any questions about your new card or unsolicited contacts you receive asking for

your personal information, contact Medicare at 1-800-MEDICARE. You can also find more information at www.medicare.gov/newcard.

If you have been victimized by this scam or any other online scam, you can file an online report at the FBI's Internet Crime Complaint Center at www.ic3.gov or call your local FBI office.

More information is available at go.medicare.gov/newcard. Oregonians also can contact the state's Senior Health

Insurance Benefits Assistance (SHIBA) program with questions. SHIBA's phone number is 1-800-722-4134 (toll-free), and the line is open 8 a.m. to 5 p.m. Monday through Friday.

Commissioners Approve New OSU Extension Education Center

OSU Extension is celebrating its 100 year anniversary in Clackamas County with the approval of a new Education Center. Clackamas County Commissioners unanimously approved plans for the Education Center on the southeast corner of Warner Milne and Beavercreek Roads, during their work session.

The current location, at 200 Warner Milne Road in Oregon City, has been home to Extension since 1983. The new Education Center will include about 22,000 square feet of indoor office and public areas, an expanded Master Gardener Clinic, a demonstration and teaching kitchen, and a conference facility seating up to 150. In addition, an outdoor teaching greenhouse, landscape and demonstration gardens, and environmental study areas will complement the site.

The new building will be a state-of-the-science, all wood and energy efficient structure. "We want to showcase our wood products industry with the best in today's technologies," said Mike Bondi, Clackamas Extension Regional Administrator. "We expect the Extension Education Center to be the first cross-laminated timber building and the first net-zero public building in the county."

Cross laminated timber is a new construction design feature using laminated wooden beams and panels to build multi-story buildings, including skyscrapers. Net zero is a concept demonstrating the ability of the building to generate enough power to meet its consumption needs for the year. Solar panels, super-insulation, and proper orientation of the building will be key design elements to achieve this goal.

This building will be an education, itself, according to Bondi. "Visitors will be able to learn about the region's wood products, advances in technology, and how our forests can be managed sustainably to provide these benefits to the community. Our energy efficiency features will demonstrate ways to plan for the energy needs of our own homes and our communities in tomorrow's world."

Next, the building will go through the Oregon City permitting processes, and if all goes as planned, it will break ground in the spring of 2019 and be complete the first part of 2020.

May 16, 11:00am-1:00pm 19600 Molalla Ave.

Sip on hot or cold tea and eat snacks at Clackamas Community College's "Communi-Tea" Fair and Expo. The college will host vendors and provide tea and snacks for sampling. Vendors are currently being sought. Past community fairs and expos have featured local artists, craftspeople, public agencies and retailers. To register for a table, contact CCC's Student Life and Leadership Office for an application. The application form must be completed and received no later than May 4, 5 p.m. For more information, contact Michelle Baker at mbaker@clackamas.edu or 503-594-3041.

Putt for Mutts Fundraiser (\$)

May 17, 6:00-8:00pm Sah-Hah-Lee Golf Course

The public is invited to join the Clackamas Dogs Foundation at the third annual Putt for Mutts fundraiser on May 17 from 6 p.m. to 8 p.m. at Sah-Hah-Lee Golf Course. Tickets, \$60 each, include dinner, one drink ticket, putt-putt golf, a silent auction, and endless amounts of dog talk!

All proceeds benefit the Clackamas Dogs Foundation and its mission of advancing the welfare of dogs in Clackamas County. To join the fun, register at http://www.clackamasdogsfoundation.org/putt-formutts/. Special guests from Mountain Wave Search & Rescue with their K9 Search and Rescue team will meet and greet participants and give a presentation. The silent auction will be stocked full of great dog items and fun activities to do in and around Clackamas County. People or organizations interested in donating to the silent auction are asked to contact Sarah Holcombe at sholcombe@clackamas.us or 503-722-6729.

The Clackamas Dogs Foundation, which relies entirely on donations, is a valuable resource for Clackamas County Dog Services and dogs in our county. Foundation programs include an emergency vet fund for dogs who arrive to the shelter injured, a low-income spay and neuter program, and the shelter volunteer program. For more information, contact Sarah Holcombe at sholcombe@clackamas.us or 503-722-6729.

Fundraiser Show & Gala: June 7 at 7:30pm
Performances: June 8, 9 & 15 at 7:30pm and June 9 & 16 @ 12:30pm
Beavercreek Grange

When James is sent by his conniving aunts to chop down their old fruit tree, he discovers a magic potion that grows a tremendous peach, rolls into the ocean and launches a journey of enormous proportions. Based on one of Roald Dahl's most poignantly quirky stories, Roald Dahl's James and the Giant Peach JR. is a brand new take on this "masterpeach" of a tale. Ticket prices are \$25. http://www.occtheatre.org/copyof-shows-1.

Annual Strawberry Festival (\$)

June 16, 4:30-7:30pm Beavercreek UCC, "The Ten O'Clock Church"

Mark your calendars for another great Strawberry Festival at Beavercreek UCC, "The Ten O'Clock Church" (23345 S. Beavercreek Road). We always look forward to this event since it's the beginning of summer and time for those wonderful local strawberries. The evening will consist of a delicious dinner including BBQ Chicken, Scalloped Potatoes,

Salad, Green Beans, Beverage and Strawberry Shortcake with Ice Cream. The strawberries will be fresh off the vine from our local Albeke Farms. The Silent Auction will again have many wonderful items to bid on. It's a great event for the whole family and a good way to celebrate Father's Day weekend. Dinner prices: Ages 13 & up - \$12, Ages 6 to 12 - \$8, Age 5 & under - Free. Proceeds will help support our church's local and wider missions including our Food Pantry and Summer Camp Youth Programs. For more info call 503-632-4553.

Summer Camp Planner

This is our first-ever summer camp planner with over 15+ local and nearby activities for kids from preschool through high school age. If you have one to add to the list, email the editor.

4-H Wild West Camp. Open to all youth completing grades 4-7 (need not be a 4-H member). This overnight camp is designed to give youth hands-on outdoor experiences like hiking, riding horses, canoeing, fishing, archery, swimming, natural science, digital photography, crafts, and more. http://extension.oregonstate.edu/yamhill/4-h-youth/camps

4-H Wildlife Stewards. Sponsored by OSU Extension 4-H and is open to boys and girls completing grades 3-8. The camp is designed for youth who wish to explore wildlife and the wonders of nature in an outdoor setting. Previous experience or knowledge in these areas is not required.

http://extension.oregonstate.edu/portland/4-h-wildlife-stewards-summer-camp

4-H International Summer Camps. The 24-hour-aday is designed for Latino youth in grades 3-12. It focuses on helping Latino youth improve academic skills, develop leadership skills, and participate in healthy physical activities.

http://oregon.4h.oregonstate.edu/outreach/elem-camp

4-H Four Rivers Summer Camp. For youth who have completed 4th - 8th grade. Special opportunities for 7th and 8th grade campers. Rustic and comfortable lodging, and excellent meals and facilities. Recreation includes swimming, archery, adventure swing, canoeing, crafts and more. Educational hands-on classes, with natural resources focus. http://extension.oregonstate.edu/benton/4h/camp

Amethyst Performance Horses. We will be offering two camps! First session will be June 25th-28th and our second session will be July 23rd-26th. Camps run from 9 AM until 1 PM. Kids get to ride as well as learn about the care of horses. They will learn about parts of the horse, horse tack, giving a horse a bath, roping

and much more! Daily crafts and games and lots of fun! Call for current season rates. https://www.amethystperformancehorses.com/horse-camps/

Camp Abilities Oregon. July 22 to July 27, 2018, McMinnville, OR. Camp Abilities offers a one-week comprehensive, developmental sports camp for children and youth with visual impairments. The camp provides 1:2 instructional situations for each child. It will accept 40 youth ages 8-15. Please visit www.nwaba.org to fill out electronic registration forms. Campers will be accepted on a first come, first serve basis. Additionally, NWABA is also accepting applications for Camp counselors for both camps, which can be found online as well.

Camp Namanu. Camp Namanu is one of the largest, longest lasting youth camps in the region, operating continuously since 1924 on the banks of the Sandy River. Camp Namanu is the signature summer program of Camp Fire Columbia, a nonprofit youth development organization serving 3,000 youth annually in programs year-round, in-school, afterschool and all summer long. https://campnamanu.org/

Camp Westwind. Looking for a camp that is breathtaking in natural beauty, creates a vibrant and safe community, and encourages campers to explore the world around them? Camp Westwind has fostered life-changing outdoor experiences since 1937, and offers an array of exciting camp activities that include watersports (canoeing, kayaking, paddle-boarding, bellyacks, snorkeling), archery, challenge course, arts and crafts, disc golf, beach games, campfires, and many more. https://westwind.org/camps/youth-camps/

Clackamas County 4-H Camp. The Clackamas County 4-H Summer Camp offers youth in grades 4-8 an overnight, week-long camping experience to explore the outdoors, learn new skills, meet new friends, practice leadership skills and teaches campers how to live cooperatively with others. The camping program is directed by the Clackamas County 4-H Camp committee and is held at the 4-H Center. Campers from outside Clackamas County are welcome to attend and 4-H membership is not required. http://cc4hsummercamp.com/index.html

CCC Summer Scholar Program. Incoming 2018-19 high school seniors and 2018 high school graduates can get a jumpstart on their four-year college degrees through CCC's Summer Scholars program – tuition free. Students in Clackamas County can earn college credit and complete their general electives during an eight-week summer term, June 25-Aug. 17. Students may register for up to 10 college credits. Plus, students get a First Year Experience class for free, where they will learn the ins and outs of navigating college. This is a savings of more than \$2,000 compared to a public

four-year university! For questions, visit www.clackamas.edu/summer-scholars-program or contact Jaime Clarke at 503-594-3161 or hsconnections@clackamas.edu.

CCC Career & Technical Education Summer Camps. Clackamas County students entering ninth-12th grade can earn college credits while having fun in one of Clackamas Community College's free, handson summer camps! Choose from one of four career and technical education summer camps: horticulture, industrial technology, health sciences, and invention. Camps will be held June 18-22, 9 a.m.-3 p.m. Lunch will be provided and transportation assistance is available. Each camp has limited space and will use a weighted lottery for placement. To register, visit www.clackamas.edu/CTE-Summer-Camps. For more information, call 503-594-3161 or emailhsconnections@clackamas.edu.

CCC Nature Spy Camp. Incoming first-fifth graders will enjoy a variety of fun activities, including exploring the on-site wetland, identifying the critters that live there, learning to be good stewards of the environment, making crafts and playing games. After participating in all four days of camps, participants will be registered as Environmental Learning Center (ELC) Nature Spies and receive an official membership packet. Grades 1-2: Cost is \$215 and dates are June 25-28 or July 23-26, 9 a.m.-4 p.m. Grades 3-5: Cost is \$235 and dates are July 9-12 and July 30-Aug. 2, 9 a.m.-4 p.m. The ELC is located at 19600 Molalla Ave., Oregon City. For more information and to register, visit www.clackamas.edu/ELC/kids. For more information, call 503-594-3015.

CCC Teen Nature Academy. Incoming sixth-eighth graders have their own camp where participants do hands-on environmental lab activities, engage with the college faculty and visit college classes. The week culminates with each camper creating their own personal digital story (video production), using photos that were taken throughout the week. Grades 6-8: Cost is \$245 and dates are July 16-19 or Aug. 6-9, 9 a.m.-4 p.m. The Environmental Learning Center (ELC) is located at 19600 Molalla Ave., Oregon City. For more information and to register, visit www.clackamas.edu/ELC/kids. For more information, call 503-594-3015.

OCCT Musical Theater. July 23-28, 2018 at the Beavercreek Grange. The camp where your children are guaranteed to make new friends, perform and most importantly have fun! From beginners to super stars we welcome kids at any given performance level. Past experience isn't necessary to make your child shine! Campers will be walked through a mini group audition to determine which role best suits each camper (every camper will receive a part). From that they will be divided into groups based on those roles

and begin learning blocking, choreography and music with their teachers and camp counselors. By the end of the week your camper will have learned and rehearsed an entire one act production! http://www.occtheatre.org/

Portland Timbers Soccer Camps. Be sure to check out our next Timbers and Thorns soccer camps, open to all players ages 5-13! With a staff of U.S. Soccer Federation licensed coaches, our camp program ensures that kids will learn new skills and abilities, play exciting games, brush up on their technical skills, and most importantly have FUN! www.timbers.com/camps.

Trackers Earth offers camps and outdoor programs for all ages. We provide innovative education in nature connection and authentic outdoor skills. Camps and classes include outdoor skills, wild plants, archery, restoration and much more. Our organization and

education models are collaborative. Our purpose is to create a village of connection to the land, accountability, common sense, and limitless enthusiasm. https://trackerspdx.com

YMCA Camp Collins. Providing premier camping experiences, outstanding service, ample outdoor exploration for all ages since 1926. There's something for everyone with overnight camps, summer day camps, family camps, teen camps and outdoor school. https://www.ymcacw.org/camps/ymca-camp-collins
