Annual Tree Lighting Ceremony on Dec. 3

*By Cindy Hillyard, Beavercreek Parks
Committee*

The Holidays are here, so let's fill the park one last time before the year ends. Saturday, December 3rd, will be our annual Christmas Tree Lighting. Bring your family and friends, umbrellas, boots, warm coats, and mittens.

The evening will start with a potluck dinner at the Beavercreek Grange. The Grange will provide turkey, ham, potatoes and gravy. Just bring your favorite side dish and/or dessert to compliment the meal. Food items can be dropped off starting at 4:30 and dinner will start at 5pm. Wear your ugliest sweater for the ugly sweater contest that will be judged after dinner.

At 6:30 Santa Claus will arrive to parade everyone to the Korner Park. There will be photo opportunities, stockings and goodies for the kids, songs to sing, hot chocolate, cider, cookies and a special guest. We will then count down to the lighting of the Christmas Tree at 7pm.

Thank you to everyone that has helped put this special event together. We hope to see everyone Saturday!

To prepare for the event, several local volunteers convened at Beavercreek Saloon to stuff stockings full of goodies to be given away to kids at the Tree Lighting Ceremony. All toys and treats were donated by community members through an Amazon wish list. A huge shout out to the Hamlet Parks Committee, Beavercreek Saloon, and all the volunteers who donated time and resources to stuff stockings and make the annual event possible.

Operation Santa Claus

Clackamas Fire proudly announces the 2022 Operation Santa Claus toy and food drive. The program is organized by volunteers and employees and has been a mainstay within the community for more than 48 years. The goal is to collect non-perishable food and new, unwrapped toys for families in need during the holidays. While the goal is the same as it has been for the last 48 years, the strategy to collect donations has shifted due to the pandemic.

Clackamas Fire will be hosting five donation drop-off events throughout the fire district from Dec. 3-11. In addition, Clackamas Fire is discouraging

community members from dropping off donations at any of their community fire stations this year.

In 2021, more than 8,000 pounds of food and 3,000 toys were distributed. “As we look towards the holiday season, our focus is on hope, charity, and serving others. We know some families are struggling, and the need is as great as ever,” said Fire Chief Nick Browne. “Clackamas Fire’s Operation Santa Claus is an excellent opportunity to come together as a community to help those in need.”

Donations can be made a couple of ways:

- Accepting donations at five drop-off events from Dec. 3-11. For a complete list of locations and dates, [click here](#).
- Accepting funds by mail. Checks can be made out to the “Clackamas Emergency Services Foundation,” noting “Operation Santa” on the memo line, and mailed to Clackamas Fire, c/o: Clackamas Emergency Services Foundation, 11300 SE Fuller Road, Milwaukie, OR 97222. The non-profit organization is associated with Clackamas Fire and other first responder agencies in Clackamas County.

Clackamas Fire Public Forum Jan. 4

Clackamas Fire has established an initial set of staffing and operational priorities which would be funded through the levy, including hiring additional firefighters to provide four-person staffing in most stations, full-time staffing of rural fire stations (Logan and Clarkes), and implement an alternative response model which includes lighter resources to improve response efficiency in high-volume service areas. [Editor's note: Read the November issue for more

details.] It would also provide funding for equipment critical to emergency and wildfire response.

Join the public forum in our area on January 4th, 6pm-7:30pm at John Adams station 15: 624 7th Street, Oregon City, OR 97045. You can also join us online by visiting www.clackamasfire.com for the link.

Winter Explorer Kits for Children

The Clackamas Community College Environmental Learning Center is once again offering its popular Nature Spy Explorer Kits. The kits are sent right to

homes and have all the supplies a budding naturalist will need to learn, create and play. This year's theme is Wild About Winter and the kits include engaging crafts, fun facts and playful activities to help children discover the natural world that surrounds them – from the comfort of home and neighborhood. Kits are designed for children ages 4-8, although older children enjoy them, too.

Each kit includes:

- Easy-to-follow instructions
- Materials for creating a nature-themed craft
- Nature journal page with fun facts
- Activities to keep children exploring all week long
- A nature guide or storybook

There are three Wild About Winter Explorer Kits:

- **Nature Spy Tracker:** Use air-dry clay and paints to make animal tracks. Make a track trap and see who's out and about in the neighborhood at night. Head outside to play tracking bingo. Use the journal page to reflect on wildlife signs in the neighborhood or park, and try to solve the track mystery. Kit ships Thursday, Dec. 1.
- **Mosses, Lichens, and Ferns, Oh My!:** Design and build a terrarium of mosses, lichens and ferns. Record observations and

get creative in inventing a new lichen species. Go on a scavenger hunt to find a variety of mosses, lichens and ferns in a local natural area. Kit ships Thursday, Dec. 8.

- **Whooo Are The Owls?:** Build a nighttime forest scene with owls hiding in the trees and glow-in-the-dark moon and stars. Explore owl habitats, hiding places and signs of owls, and color an owl picture. Dissect an owl pellet and discover what the owl ate. Kit ships Thursday, Dec. 15.

Each kit is \$35 and includes shipping. Kits are limited in supply. Purchase a kit at

Prepare for Winter Outages

With cooler temperatures coming to Oregon, Portland General Electric is ready for the season and wants customers to be prepared, too. When it comes to heating a home, there are easy steps customers can take to save energy and money:

- Each degree you lower your thermostat in the winter saves an

estimated two percent on your heating bill.

- A smart thermostat makes it even easier to save as it will learn your patterns and automatically adjust the temperature.
- Set your water heater thermostat to 120 degrees for savings and safety.
- Visit pgemarketplace.com to shop energy-saving products such as LEDs and smart thermostats, which often include instant rebates for program participation and significantly lower the cost of those purchases.

Winter weather also brings the risk of power outages, and it's a good idea to be prepared. Learn more at

portlandgeneral.com/beprepared.

- Prepare an outage kit that includes:
 - Flashlight or headlamps.
 - Battery-powered or hand crank radio and alarm clock or watch.
 - Car charger for your cell phone, laptops and/or tablets.
 - 72-hour supply of ready-to-eat food and water.
 - Extra blankets.

- Bottled water for people and animals (if you rely on electricity to pump water).
- If you have an electric garage door opener, learn how to operate it manually.
- Protect home electronics by investing in surge protection equipment. See options at portlandgeneral.com/surge.
- Be familiar with safe cooking, heating, and lighting practices. Information on safe generator use and other safety tips are available on portlandgeneral.com/safety.

For customers whose power is out, PGE offers several ways to get updates or report an outage:

- Text updates: Call PGE's Customer Service team at 503-228-6322 or 800-542-8818 to make sure PGE has your contact information so we can update you with outage information via text message (outage texts are currently available for residential and small business customers with fewer than six accounts).
- Online: Go to portlandgeneral.com/outage to view PGE's outage map.
- App: Download the PGE app at the [Google Play Store](https://play.google.com/store/apps/details?id=com.pge) or [Apple App Store](https://apps.apple.com/us/app/pge/id1450854444). Links also available at portlandgeneral.com/app.

- Phone: Call 503-464-7777 or 800-544-1795 to report a power outage or downed line through our automated system. Customers can also request a call back when power is restored.

People should always assume that any downed line is live and extremely dangerous and should stay far back. Never touch a downed wire with your body or any object. Report any downed line immediately to PGE by calling 503-464-7777 or 800-544-1795.

New Openings on ABCs

Clackamas County Commissioners are seeking interested residents to serve on county Advisory Boards and Commissions (ABCs). ABCs offer residents the opportunity to become very involved in specific activities and the goals of Clackamas County.

Individuals interested in this opportunity can [apply online](https://www.clackamascounty.gov/abc) or via a paper form that can be obtained from the Public & Government Affairs Department by calling 503-655-8751 or in person at the Public Services Building at 2051 Kaen Road in Oregon City.

The deadline for applications is Thursday, December 15. For more information contact Christina Dannenbring at cdannenbring@clackamas.us.

New ABC openings from the past week include:
